

CALL OFF STRIKE IN BRITISH MINES; MEN ORDERED BACK

Vote Was Against Resuming
Work, but Leaders Invoked
the Two-Thirds Rule.

LONDON, April 4.—The Miners' Committee, after consulting the returns officially, called off the coal strike this afternoon.

afternoon and ordered the miners back to the pits.
The official count when announced was, as expected, against resumption, being as follows:
Against resumption, 24,001.
For resumption, 20,012.
The Executive Committee, however, promptly applied the two-thirds rule and declared that the proposal to continue the strike had been defeated. The official order to the men directing them to resume work pending the organization of the district minimum wage committee was prepared and issued at once.

ORIGINAL PARTS GOWNS Are Now Reduced

This is probably the most important announcement of the day, affecting as it does a large number of exclusive gowns which are reduced in time for Easter requirements.

We may say that the reductions are made because the gowns have been used by us as models. It is our custom in such cases to make a large concession by way of compensation to the purchaser of the gown for the privilege of having duplicated it. The gowns were all displayed in our recent fashion exhibition, and it goes without saying were designed by the most distinguished French fashion designers of the day.

At present prices they may be acquired for as little and less than copies would cost in most other shops. **MOURNING FROCKS, TAILORED COSTUMES, & DINNER GOWNS** By Worth, Paquin, Drecoll, Havet, Maurice Mayer, Premet, Paul Poiret, Rondeau, Jeanne Hallee, Beer and Cheruit. Were originally \$149.00 to \$296.00. Reduced now to \$124.00 to \$239.00.

NEW SPRING WRAPS

Imported and Domestic—Wonderfully Arranged Draperies.

Copies of Imported Wraps and adaptations that are singularly clever. Of taffeta lined with crepe de Chine. Of changeant silks lined with chiffon. Of jet embroidered marquisette mounted on brocade. Of charmeuse, lined with black print colored crepe. In picturesque styles that sound the last note of Continental fashion. \$14.74 to \$134.00.

Imported Afternoon and Evening Wraps of taffetas, panelled with brilliantly black printed lining. Of chiffon taffeta trimmed with taffeta tape lace. Of voile and satin combined over foulard. Of charmeuse lined with cloth brocade chiffon. At the very reasonable prices of \$33.74 to \$149.00.

The Charmeuse Dolman Wrap illustrated is a copy of a novel foreign model. Two rows of fringe simulate a cape, the hem being finished in the same way. A wide Princess lace collar drapes the shoulders. This model is suitable for afternoon or evening wear and can be had in black, orchid, pink or sky. Price \$34.74.

Three-quarter length Wraps \$46.74 to \$89.75

This is a graceful length for women who are somewhat short of stature. The styles and materials have all the charm and newness of originality. There are taffetas, satins, chiffons, neves, in every possible coloring and color combination, as well as black and white.
